

You are part of something BIG!

Did you know that because of your purchase, more kids with cancer get to experience the healing power of nature?

With the purchase of this unit, Forest River is donating to an amazing cause: supporting Care Camps for children with cancer.

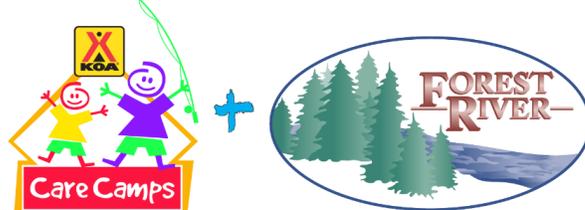

Care Camps helps these special kids by giving them the opportunity to forget about hospitals, chemo, and being bullied just because they are different. At Care Camps, kids get the medical care they need in a summer camp setting, so that they can experience the joy that comes from friendship, acceptance, and just being a kid.

Forest River is committed to providing every child with cancer who dreams of attending one of these special camps the chance to do just that—free of charge to their families—and your purchase makes this possible.

Thank you for choosing Forest River and joining us in support of this mission!

To learn more visit koacarecamps.org. You can also text FOREST to 20222 to make your own \$25 donation!
